Let Us Recognize Your Senior!!!

Seniors should contact Brittany Brinlee in the College and Career Center immediately upon notification of any college acceptance or awards of scholarships in order for it to appear in the Commencement Program. **The deadline is May 15th.**

We need to know:

- The student’s name
- Dollar amount awarded
- Name of the award or scholarship
- Is award renewable
- Name of the college or university

The dollar amount is confidential and not published. It is used to track the total dollars that our seniors earn as a whole. At the Senior Awards Assembly, we will announce the total combined dollar amount earned by the 2019 Sprague graduates.

You can submit this information online at:

Senior Awards Assembly
Parents: You are invited to attend the Senior Awards Assembly on June 6th at 9:00 a.m. in the Main Gym. Seniors will need to be at Sprague by 8:00 a.m. and will meet in the Commons. Gowns are required, no caps. If you have honorary stoles or cords, including CTEC, you are encouraged to wear them. The purpose of this activity is to honor and acknowledge the achievements of the Sprague High School class of 2019. This is not required, but highly encouraged for all seniors and their families to celebrate the hard work accomplished by seniors to get to graduation. The awards assembly will dismiss at approximately 11:00 a.m.

Mandatory Graduation Practice
Graduation practice begins at 8:30 a.m. sharp on Friday, June 7th in the Sprague Stadium.
Gates open at 8:00 a.m. Attendance at rehearsal is required for all graduating seniors participating in the commencement ceremony.

Behavior Expectations
The Salem-Keizer School District permits seniors to graduate early on June 7th while other students continue through June 14th. Because of this, there are no authorized senior skip days!
It is also important to remember that violations of school rules, including pranks and poor choices, (through the use of technology as well) may result in a student not being able to participate in the graduation ceremony.
The joy of graduation could be lost if a student chooses to engage in inappropriate behavior. Seniors will participate in awareness discussions designed to prevent anyone from losing his/her privileges to participate in senior activities and/or graduation.
Our desire is to make certain every senior in the Sprague family enjoys a wonderful and memorable graduation.

Any student engaged in a senior prank that damages property, degrades the reputation of an individual and/or Sprague High School, may be criminally charged and will not be allowed to walk with their class at graduation. This includes "BOOYAH" hill.

Cap & Gown Protocol
The recommended attire worn under the gown is:
- Light colored shirts.
- Do not wear suit jackets.
- Lightweight clothing.
- Do not wear high heels, as this can damage the turf field.

All attire must follow school district dress code
- Students are allowed to wear their cords, medals, or stoles depending upon their clubs/organizations/honor societies they belong to. Native American feathers, beadings and garments are allowed. The cords are passed through the loop in the back of the gown and then hang over the shoulders in front.
- Students are not allowed to carry objects such as, but not limited to; flowers, umbrellas, stuffed animals, air horns, balloons, inflatables, etc. Sunglasses may not be worn.
- Correct Positioning of Cap: The long point of the cap goes to the back and the short point is centered on the forehead with the mortarboard level (not tilted). The cap is never removed during any part of the ceremony. The outside of the cap may be decorated, however if the decorations on the cap are considered inappropriate or cause a distraction, the student will be asked to remove and replace his/her cap. The tassel is pinned on the right side of the cap.
- The gowns do not need to be returned, but they can be donated for future senior use.

CCTV will be airing our graduation on the Comcast channel 22. June 8 at 5:00 p.m., June 9 at 11:00 a.m., June 12 at 4:00 p.m. CCTV will be offering DVD’s and Blu-rays of graduation at $14.95 each, plus $4.95 shipping. Orders can be placed at www.cctvsalem.org/graduations and they will be running a special through June 1 - use promo code GRAD for 30% off.
Handicapped Parking Permits for Graduation
In addition to the designated handicapped parking spaces on campus, we will reserve our South Sophomore lot for this purpose. Those wishing to access this area must have a DMV issued handicap permit.

There are approximately 80 spaces that will be used on a first-come, first-served basis. Handicapped seating will also be available on a needs only basis.

Please contact Tracy Goranson in Athletics at goranson_tracy@salkeiz.k12.or.us by 3:00 p.m., May 31st to reserve your handicapped seats.

Overflow Parking - Shuttle Information
Overflow parking and shuttles will be provided with the help of our amazing community partners – Country Financial and Kaiser Permanente. Shuttles will begin running at 5:30 and the final run will be 30 minutes after the ceremony. The pick-up/drop-off area will be clearly marked near the Country Financial building.

Seating
Staging in the stadium will be set up on the north end of the football field facing south. There will be chairs set up facing into the field on the east and west side. These seats will be reserved for handicapped patrons and one guest. There is also seating in the bleachers. An area will be reserved for those guests that need ASL interpretation.

The bleachers will seat up to 2,000 patrons. No tickets are necessary for seating. The stadium will open at 5:00 p.m. and you can save seats for immediate family only. One person must remain on site in the seated area. Blankets, signs and other markers will be removed if no one is there.

If you bring balloons, please plan on sitting in the back rows of the stadium so you are not blocking anyone’s view. Umbrellas will not be allowed as they block views and drip on other guests. The graduation ceremony will be held rain or shine in the Stadium. The only weather event that will move the ceremony is lightning. If we have lightning we will move to the Gym.

Diplomas
Diploma covers will be handed to students as they walk across the stage. Students may pick up their diploma in the Commons immediately following the conclusion of graduation until 9:30 p.m. If you are unable to pick up your Diploma on the night of graduation they will be available in the College and Career Center. Only students may pick up their diplomas.

Diplomas WILL NOT be mailed home and will remain in the office until they are picked up.

Graduation Photos
Please do not come on the field (or crowd the aisles between seats) during the graduation ceremony to take pictures. Thank you for your cooperation in this matter.

• Professional photographers will be taking photos as students receive their diplomas.
• Everyone will be photographed.
• Photos will be online at events.lifetouch.com ten days after ceremony.
• Complimentary proofs mailed to graduates, with no obligation to purchase.
